YOM KIPPUR
THURSDAY, SEPTEMBER 16, 2021

The tickets assumed we would be in the sanctuary. That's why they say we will start the service on both days of Rosh Hashanah at 8:30 am. That's our traditional start time for the High Holy Days. Instead, since we will be on Zoom, we will start on both days at 9:00 am.

We have worked hard to delete or shorten repetitious prayers and we have worked hard to complete the service in 4½ hours.

We have had Shabbat services on Zoom since March, but we need your help to make it work.

If you have an Aliyah or have an English reading, make sure that you are signed into Zoom earlier than the time you are to participate.

Jeff Haveson will look for all participants, and will communicate with them via the "chat" and through text messaging. The "chat" icon is on the bottom of the Zoom screen.
